Dedication

Mrs. Dyer.

You have been much more than a teacher and sponsor. You have been a dedicated friend to each of us. Whatever was to be done, you always came through. You have done everything in your power to not only make our school days happy, but this part of our lives the best it could be.

Mr. Frizzell,

Through the years you have come to hold a special meaning in our hearts. You were always there to help, advise, or just sit down and talk with us. Your concern, care, and effort have been a great help through our school years.

Mrs. Dyer and Mr. Frizzell: We, the class of '82, love you both and feel very proud to dedicate our yearbook to you.

Class

I, <u>Donna Anglin</u>, leave my advance skills in Driver Ed. and my nickname, Demolition, to Vickie Wyatt when it comes to pulling out of driveways.

I, Sonya Blankenship, will my running around and learning ability to come to school almost every morning at 7:30, to ride around, goof off, make it to school almost every morning on time, and pass everything (especially economics) to Teresa Hart, Donna Maness, and Debbie Maness. Also, I will by "Bright" yellow-green shoe strings to Tiffany Morris for good luck in basketball.

I, Dennis Galbraith, will by ability to see a deer everytime I go hunting at the Clampet's to Mark Tillman, who never sees anything by himself.

- I, Skipper Collins, will my ability to be a secretary in FFA and compete in the State Parliamentary Procedure Contest to Stevie Mitchell.
- I, Doug Evans, in sound and muscular body and no mind, will my ability to stay out of trouble to Vickie Wyatt, Debbie Maness, and whoever needs it.

T, Denise Grooms, will my ability to lose a shoe in a ball game without getting embarrassed to V. W and T. M., and my democratic blood to my brother, Stuart.

- I, Danny Lomax, will my ability to keep my cool in all office situations to N.C.M.
- I, Lisa Maness, being of sound mind and body will my good luck of finding someone as special as Dennis to everyone.
- I, Teresa Montgomery, will my bravery to take chemistry and Algebra II in the same year to Judy Goff and Sharon Jones.

Will

I, Debra Mooney, being of sound mind and body will my would-be exquisite collection of 'possum skins to Mark Tillman, and all my old math books to my brother, Terry.

- I, Sherry Parrott, being of sound mind and body will my ability to find a boyfriend as good and cute as mine.
- I, Deneen Pierce, being of sound mind and clean body will my ability to drive M.C. and N.M. to Riverside, Parsons, and Sardis and make it back to Scotts Hill and in one piece and be able to have a real good time to Paula Brooks if she can stand them together in the same car.
- I, Anita Powers will my knowledge of chemistry to Renee Rogers, my cowboy boots to Anita Delaney, my toboggan to Tim Diffee, my old truck to Cindy Flowers, and my "flower goddess" T-shirt to Penny Rhodes.

I, Lewis Puckett, will my ability to take life easy to anyone who thinks they can withstand the pressure.

I, Kathy Roach, will my ability to finish high school to Jeff, to stay out of trouble "most" of the time to Michelle Pierce, to flip a car and "drive it home" to Leah Wilson, (and to have a good senior year, as I did), the best of luck to "all" Seniors "82", and all my love to Cary Scott.

- I, Mark Tillman, will my ability to drive my truck with as much pride and honor as I can muster up to anyone else who can do it.
- I, Cynthia Watkins, being of sound mind and body hereby will my abilities to stay gone two nights a week, stay out until midnight every night of the weekend try thinking about a wedding, play softball during the summer, work, and still live through it, to my best friend, Betty Doyle.
